ABOUT THIS SUMMARY

Reported in this summary is the total amount of cash on hand January 1, 1982, campaign contributions received, public financing received, campaign expenditures made in 1982, and cash on hand December 31, 1982, for principal campaign committees of candidates for election in 1982 to state executive, legislative and judicial offices.

Campaign expenditure limit (\$1,270,800 governor-lieutenant governor; \$211,800 attorney general; \$105,900 Secretary of state, state auditor, state treasurer; \$31,770 state senator; \$15,885 state representative) is in effect only for those candidates who signed a public financing agreement or tax credit agreement or both in 1982; in addition, a 20% increase in the stated limit is permitted for a winning candidate in a contested primary who received less than twice the number of votes of the nearest competitor.

Major donors contributing in aggregate in 1982 in excess of \$50 (to legislative and district and county court candidates) and \$100 (to statewide candidates) will be listed in Part II of this summary, to be available later this year.

Editor's Note:

Legislative Reapportionment - The 1982 election was the first election for state senator and state representative after the reapportionment of legislative districts based upon the 1980 federal census in Minnesota. The 1982 reapportionment changed the boundaries of legislative districts which were in existence from 1972 election through the 1980 election. New numbers were assigned in some areas of the state. Some of the individuals were serving in a legislative district at the time they filed for election in one of the newly-drawn 1982 legislative districts.

In this publication, any individual who was serving in state elective office in July, 1982 and who filed for election in 1982 is designated by an asterisk (*).

Based on reports filed by these individuals' committees:

- 164 sought election;
- 145 signed public financing agreements;
- 23 won election in a district in which the opponent outspent the individual;
- 5 lost election in a district in which the individual outspent the opponent.

**ETHICAL PRACTICES BOARD ISSUES STATE CANDIDATE COMMITTEE
CAMPAIGN FINANCE SUMMARY FOR 1982 ELECTION**

A record \$7 million in contributions from individuals, political committees and funds, and political parties was received by 471 candidates for state executive and legislative offices in 1982, according to a summary of campaign reports compiled by the Ethical Practices Board.

The summary is based upon reports for the 1982 election filed with the Board by candidates for governor-lt. governor, attorney general, state treasurer, state auditor, secretary of state, state senator, and state representative.

Included in the summary for each candidate are total campaign expenditures, cash on hand, and a listing of the names of individuals and committees or funds contributing, in aggregate during 1982, more than \$50 to candidates for the legislature and \$200 or more to candidates for statewide office.

Candidates for state executive offices received contributions in 1982 totaling \$2,919,645 from individuals, political committees and funds, and political parties. Included in this amount are 2,638 separate donations of \$200 or more, totaling \$1,961,225 (67% of total contributions received).

In 1982, 439 candidates for the legislature received contributions totaling \$4,119,424 from individuals, political committees and funds, and political parties. Included in this amount are 12,344 separate donations of more than \$50 totaling \$2,581,915 (63% of total contributions received).

The increase in the number of major donors noted by the Board in summaries of reports filed for previous elections continued in 1982. The number of major donors to legislative candidates increased 22% in 1982, over 1980 when 10,145 major donors contributed 60% of total contributions received by Senate and House candidates. By contrast, 3,955 major donors contributed 62% of total contributions

- m o r e -

received by House candidates in 1978. In 1976, 5,085 major donors contributed 57% of total contributions received by Senate and House candidates.

During 1982, 471 candidates for state offices made campaign expenditures of \$10,200,000 from funding of \$6,269,571 in contributions from individuals, political committees, and political funds (61.5%); \$1,576,867 from public financing (15.5%); and \$769,498 in contributions from political parties (7.5%). The remaining total campaign expenditures, \$1,618,953 (15.5%) were made either from funds raised by candidate committees prior to 1982 or were carried on the committees' books at the end of 1982 as unpaid bills or loans.

Summary publications based on 1982 campaign finance reports filed by state candidates and by political committees, political funds, and political parties are available from the Board office, 41 State Office Building, St. Paul, MN 55155. All committee and fund reports are available for public inspection and copying at the Board office.

Legislative Reapportionment - The 1982 election was the first election for state senator and state representative after the reapportionment of legislative districts based upon the 1980 federal census in Minnesota. The 1982 reapportionment changed the boundaries of legislative districts which were in existence from 1972 election through the 1980 election. New numbers were assigned in some areas of the state. Some of the individuals were serving in a legislative district at the time they filed for election in one of the newly-drawn 1982 legislative districts.

In this publication, any individual who was serving in state elective office in July, 1982 and who filed for election in 1982 is designated by an asterisk (*).

ABOUT CANDIDATE CAMPAIGN FINANCE DISCLOSURE

A candidate for state executive, legislative, or judicial office who accepts more than \$100 from sources other than the candidate's own personal funds is required to register a principal campaign committee with the Ethical Practices Board. However, a candidate who does not designate and form a principal campaign committee and who spends in excess of \$100 of his own money, not including filing fee, to influence his nomination or election is required to file a Report of Receipts and Expenditures with the Board. Information about the reporting requirements of Minn. Stat. Ch. 10A, the Ethics in Government Act, is available from the Board office, 41 State Office Building, St. Paul, MN 55155; telephone: (612) 296-1722.

ETHICAL PRACTICES BOARD ISSUES 1982 CAMPAIGN FINANCE SUMMARY
FOR CANDIDATES WHO DID NOT FILE FOR ELECTION IN 1982

In 1982, individuals, political committees and funds, and political parties contributed \$448,056 to 257 candidates for state executive and legislative offices who did not file for election in 1982, according to a summary of campaign reports compiled by the Ethical Practices Board.

Among the candidates whose committees filed reports are three from 1974, the first election under the Ethics In Government Act, adopted in April, 1974. Also reporting are 11 candidates from 1976, 20 from 1978, 152 from 1980, and three from special elections. Sixty-eight candidates who registered committees in 1982 are included in the summary because they did not file for election in 1978.

Minnesota law requires each registered candidate committee to file an annual report of receipts and expenditures with the Board until the committee terminates. Committees of 159 of these candidates terminated when they reported in 1983.

Total campaign expenditures of \$439,871 were reported by the 257 committees, who disclosed cash on hand December 31, 1982, totaling \$89,582.

Included in the Board's summary for each candidate are total contributions received, total campaign expenditures, cash on hand, and a listing of the names of individuals and committees or funds contributing, in aggregate during 1982, more than \$50 to candidates for the legislature and \$200 or more to candidates for governor, lieutenant governor, attorney general, secretary of state, state auditor, and state treasurer.

All candidates registered with the Board, including 471 who filed for election in 1982, received contributions in 1982 totaling \$7,448,000. Campaign expenditures in 1982 by all 728 registered candidate committees totaled \$10,640,000.

Summary publications based on 1982 campaign finance reports filed by state candidates and by political committees, political funds, and political parties are available from the Board office, 41 State Office Building, St. Paul, MN 55155. All committee and fund reports are available for public inspection and copying at the Board office.
